

Please drive
carefully
through highway
work zones.

Lives depend on it ...
ours and yours!

A public safety message from the
Nebraska Department of Roads.

Speeding through a
highway construction
zone will cost you
double fines.

Always buckle your
seat belt.

Flaggers are used to
help direct traffic
through work zones.

Environment affects
travel conditions.
Check 511 if weather
is questionable.

Traffic volume increases
during early morning
and late afternoon
peak hours. Plan
accordingly.

You can make
the difference!
Drive Smart.
